

HT-CL Series

Compact Precision Scales
With Color Comparator Lights

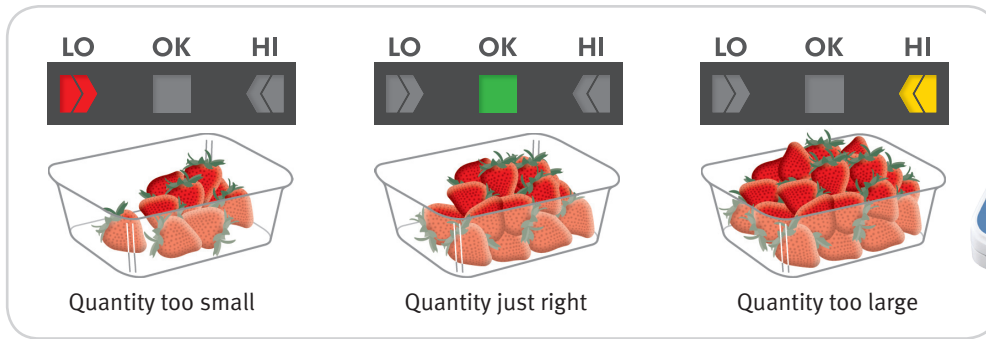

HT-300CL
HT-500CL
HT-3000CL
HT-5000CL

Stop overpacking and
increase your profits

Features

» Multi-colored LED lights for quick and unmistakable comparator judgments

- » Negative values allowed for comparator limits for checking weights that are taken out from (instead of added to) a master container*
- » Auto power-OFF function to extend battery life
- » Security slot in the rear of the scale to accommodate an anti-theft lock
- » Key lock function to prevent operators from making changes to the scale settings
- » Comes in a stackable carrying case to save space when stored (Includes three color bars (red, green and orange) for sorting the scales according to the purpose, owner, point of use, etc.)

*The display needs to be set to zero before each measurement.

Carrying case
(Shown with option HT-10 stainless steel pan)
