

ABT-HC-SSP-49G

The Premier Stainless Steel Refrigerators and Freezers from American Biotech Supply are purpose built for laboratory and medical applications.

All models feature a digital microprocessor temperature controller, a forced air directional refrigeration system, and an automatic cycle-defrost design that prevents product damaging temperature spikes.

These products are ETL listed and feature environmentally friendly hydrocarbon natural refrigerant, R290.

FEATURES

- Digital display microprocessor temperature controller
- Adjustable operating temperature:
Refrigerator: 1°C to 10°C
Freezer: -10°C to -20°C
- Audible and visual Hi/Lo temperature alarm
- Remote alarm contacts
- Forced draft air circulation
- Keyed door lock
- Magnetic door gaskets for positive seal
- LED interior lights are safety shielded and switch controlled
- Probe access port (3/4")
- Stainless steel exterior
- Hydrocarbon natural refrigerant (R290)
- 2 year parts and labor warranty, plus an additional 3 year compressor parts warranty
- Cycle defrost
- 115V/60 Hz
- ETL listed
