

# FF28LWHPRO

25" x 18.5" x 17.75" (H x W x D)

Compact auto defrost all-refrigerator with digital thermostat, internal fan, front lock, and probe hole for user-installed monitoring equipment

**Highlights:**

Advanced precision with digital temperature controls

Factory installed access port allows users to install their own monitoring equipment

Compact size is ideal for use on top of counters

**Product Features:**

|                                           |                                                                                                                                |
|-------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Digital thermostat                        | Digital microprocessor for easy and precise temperature management, with all controls externally located for added convenience |
| Factory installed lock                    | Keyed lock for added security, with two keys included                                                                          |
| Automatic defrost                         | Reduced maintenance with auto defrost system                                                                                   |
| Internal fan                              | Fan-forced cooling ensures the unit is evenly cooled from top to bottom                                                        |
| Flat door liner                           | Interior design conforms to CDC guidelines to ensure stable conditions for sensitive materials                                 |
| 3/8" access port                          | Unit comes with a factory installed probe hole for users to connect their own monitoring equipment                             |
| Adjustable shelving                       | Includes one full-width adjustable wire shelf and one removable half shelf that can be positioned above the compressor step    |
| Hospital grade cord with 'green dot' plug | Secure three-pronged cord for added unit safety in high traffic areas                                                          |
| Foamed-in-place cabinet                   | Quality design ensures efficiently insulated interior                                                                          |

## FF28LWHPRO Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Nominal Height             | 25.0" (64 cm)         |
| Height of Cabinet          | 25.0" (64 cm)         |
| Nominal Width              | 19.0" (48 cm)         |
| Width                      | 18.5" (47 cm)         |
| Nominal Depth              | 18.0" (46 cm)         |
| Depth                      | 17.75" (45 cm)        |
| Depth with door at 90°     | 34.5" (88 cm)         |
| Capacity                   | 2.4 cu.ft. (68 L)     |
| Defrost Type               | Automatic             |
| Door                       | White                 |
| Cabinet                    | White                 |
| US Electrical Safety       | ETL                   |
| Canadian Electrical Safety | ETL-C                 |
| Amps                       | 0.7                   |
| Voltage/Frequency          | 115 V AC/60 Hz        |
| Weight                     | 45.0 lbs. (20 kg)     |
| Parts & Labor Warranty     | 1 Year                |
| Compressor Warranty        | 5 Years               |
| UPC                        | 761101057231          |
| Refrigerator Features      |                       |
| Door Swing                 | RHD                   |
| Reversible                 | Yes                   |
| Shelf Type                 | Wire                  |
| Shelf Qty                  | 2                     |
| Adjustable Shelves         | Yes                   |
| Thermostat Type            | Digital               |
| Fan Type                   | Interior              |
| Refrigerant Type           | R600a                 |
| Refrigerant Amount         | 0.7oz.                |
| High Side PSI              | 120.0                 |
| Low Side PSI               | 70.0                  |
| Level Legs Qty             | 2                     |
| Temperature Range          | 2 to 8°C / 36 to 46°F |
| Dimensions                 |                       |
| Interior Height            | 21.0" (53 cm)         |
| Interior Width             | 15.5" (39 cm)         |
| Interior Depth             | 13.0" (33 cm)         |

|                        |               |
|------------------------|---------------|
| Compressor Step Height | 7.75" (20 cm) |
| Compressor Step Width  | 16.0" (41 cm) |
| Compressor Step Depth  | 5.0" (13 cm)  |
