

# FFUF194IM

67" x 32.75" x 30.25" (H x W x D)

Upright frost-free freezer with factory-installed icemaker for general purpose storage with digital controls and white exterior finish

### Highlights:

Factory-installed icemaker produces up to 8 lbs. of crescent shaped ice

True frost-free operation saves on maintenance by preventing icy buildup

Digital control panel located on the unit's exterior to allow temperature adjustments without opening the door

### Product Features:

|                              |  |
|------------------------------|--|
| Large capacity               | 17 cu.ft. of interior space  |
| Frost-free operation         | True no-frost operation that eliminates the need to ever manually defrost the interior                                       |
| Digital controls             | Electronic thermostat located on top of the freezer cabinet, allowing you to manage the temperature without opening the door |
| Icemaker included            | Factory-installed icemaker produces up to 8 lbs. of crescent shaped ice  |
| Adjustable shelves           | Four wire shelves allow users to rearrange the freezer space to fit any sized item or remove shelves for simple cleanup      |
| Door shelves                 | Four shelves provide convenient storage on the door  |
| Storage basket               | Lower wire drawer for additional organizing of stored contents   |
| Interior light               | Automatically illuminates when the door is opened  |
| Fully finished white cabinet | Allows the unit to be freestanding   |
